To Leslie S. Briggs, a constable of the Town of Lovell, in the County of Oxford, and the State of Maine,

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Lovell, qualified to vote in town affairs, to meet at the Town House in said town on Monday, the first day of March, A. D. 1926, at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

- Art. 2. To choose a town clerk for the year ensuing.
- Art. 3. To see if the town will accept the report of the municipal officers for the year 1924-1925.
  - Art. 4. To choose all other necessary town officers.
- Art. 5. To see what sum of money the town will vote to grant and raise for the support of schools for the ensuing year.
- Art. 6. To see what sum of money the town will vote to grant and raise for text-books for the ensuing year.
- Art. 7. To see what sum of money the town will vote to grant and raise for school appliances for the ensuing year.
- Art. 8. To see what sum of money the town will vote to grant and raise for repair of school buildings for the ensuing year.
- Art. 9. To see what sum of money the town will vote to grant and raise for the tuition of pupils attending secondary schools for the ensuing year.
  - Art. 10. To choose one member of the school board.
- Art. 11. To see if the town will vote to grant and raise the sum of five (\$5.00) dollars per school, the same to be given to each school that raises a like amount, providing (1) That all the money is to be spent for school improvements, under the direction of the superintendent or school board; (2) That schools raising less than five dollars shall be assisted dollar for dollar.

- Art. 12. To see what action the town will take in regard to those schools which have had an average attendance of less than eight for the past year.
- Art. 13. To see what sum of money the town will vote to grant and raise for the support of the poor for the ensuing year.
- Art. 14. To see what sum of money the town will vote to grant and raise for the town charges for the ensuing year.
- Art. 15. To see what sum of money the town will vote for Memorial observances.
- Art. 16. To see if the town will vote to employ a school physician and raise money for same.
- Art. 17. To see what sum of money the town will vote to grant and raise for repairing highways, town ways and bridges for the ensuing year.
- Art. 18. To see if the town will vote "Yes" or "No" on the question of appropriating and raising money necessary to entitle the town to State Aid as provided in Sec. 20 of chapter 130 of the Public Laws of 1913.
- Art. 19. To see if the town will appropriate and raise the sum of five hundred thirty-three dollars (\$533.00) for the improvement of the section of State Aid road as outlined by the State Highway Commission, in addition to the amount raised for the care of ways, highways and bridges.
- Art. 20. To see if the town will instruct its selectmen to enter into an agreement with the State Highway Commission for patrolling such highways as they may agree upon.
- Art. 21. To see what sum of money the town will vote to grant and raise for patrolling such highway as the selectmen agree upon with the State Highway Commission.
- Art. 22. To see if the town will vote to elect an inland fish and game warden, whose duty it shall be to care for and protect the fish screen on the outlet of Kezar Lake, with powers as given under Sec. 12 of Chapter 33 of the Revised Statutes, as amended by Chapter 219 of the Public Laws of 1917.

Art. 23. To see what sum of money the town will vote to grant and raise for the purpose of keeping the fish screen situated on the outlet of Upper Kezar Lake free from slack, leaves and all debris.

Art. 24. To see if the town will elect one or more fire wardens, fix their compensation and raise money for same.

Art. 25. To see if the town will vote to conduct a campaign for the extermination of pine blister in Lovell, and what amount shall be raised for this purpose.

Art. 26. To decide by vote how to have your taxes collected for the ensuing year.

Art. 27. To choose a collector of taxes for the ensuing year.

Art. 28. To see if the town will authorize the selectmen to borrow money to meet the necessary expenses of the town, until sufficient tax collections can be made to meet current expenses.

Art. 29. To see if the town will vote to pay the school board for their services, and how much.

Art. 30. To see what sum the town will vote to raise and appropriate for advertising our natural resources, advantages and attractions under the provision of Chapter IV, Section 59 of the Revised Statues of Maine Development Association.

Art. 31. To see if the town will vote to grant and raise the sum of one thousand dollars (\$1,000.00) to be expended on the town road from Slab City Turn to the residence of Henry Fox, special appropriation.

Art. 32. To see if the town will vote to grant and raise the sum of fifty dollars (\$50.00) for grading school vard at Lovell Center.

Art. 33. To act on any other business that may come

legally before said meeting.

The Selectmen will be in session at the Town House for the purpose of correcting the list of voters on Monday, March 1st, at nine o'clock in the forenoon.

Given under our hands, at Lovell, Me., the 10th day of

February, A. D. 1926.

### REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Lovell:

Permit me to submit to you my report of the conditions existing in your schools for the year ending February 1, 1926.

Our teaching force, with one or two exceptions, has been satisfactory for the past year. Miss Curtis finished her second year of teaching in North Lovell in June and was transferred to West Lovell, taking the place of M.ss Winslow. Here she has done excellent work, but resigned her position at the end of the winter term. We have been fortunate enough to secure her services for the North Lovell School, which is without a teacher at the present time, Miss Varney leaving at the completion of the second term. This is a difficult school, owing to the number of grades and classes.

Miss Atkins has given the best of satisfaction at the Center. Her pupils have made most gratifying progress, especially those in the primary grades.

Mrs. Farrar taught the spring term at Slab City and Miss Stackpole was engaged to take her place in the fall. Although Miss Stackpole is an inexperienced teacher, she has accomplished much in the time she has been teaching, as her pupils show a marked improvement.

Miss Hilda Libby has carried on the good work at the Village with the help of Miss Doris Libby in the spring and Miss Hamilton in the fall and winter. Miss Hamilton's work with her first grade has been exceptionally good.

Mr. Carpenter's work with the second year high school pupils was most satisfactory, but as the school became so small (four pupils) it was discontinued by an action of the school board at the end of the fall term.

Our experience with the high school has convinced us that every effort should be made to give to the pupi's under fifteen years of age all the education possible and to make it practical. We still believe in higher education; we believe it is the duty of every parent to give his children every chance for advancement; we believe it is the duty of every boy and girl to help secure for him or herself that privilege, but we **know** that very few will ever make any effort to attend school after the law will allow them to remain away.

Realizing this, our aim will be to enrich the curriculum by supplying, in addition to the fine textbooks now in use, the supplementary work in the common branches, which can now be obtained in such an abundance and which will greatly enhance the pupils' knowledge of these subjects. This will call for a slightly increased appropriation for textbooks, but it will pay. Please notice the use of "Current Events," the best newspaper published for the elementary schools. We hope, by its use, to establish the habit of daily newspaper reading, so essential to a well informed man or woman. If you do not know this publication, any pupil in the fifth grade, or above, will be glad to show you his copy.

Mrs. Evelyn Stone has very kindly taught a class in sewing at the Village. Her efforts have been much appreciated.

Mrs. Althea Brooks has helped the teachers there with the music in the grades. This has added much to the interest of the pupils.

The schoolhouse at West Lovell has been thoroughly repaired. One side of the roof has been shingled, two more windows placed in the back of the schoolroom, new toilets built and the schoolroom painted. It is most attractive. It will need painting outside and the other side of the roof shingled before long, but this work can wait. Shingling must be done at North Lovell and the Center as the roofs are in bad shape. Also some minor repairs must be done at the Center. The roof of the schoolhouse at Slab City has now been thoroughly repaired. While a coat of paint would be beneficial to all of our one-roomed schoolhouses, I would not recommend that they be painted until after the other repairs are made.

Eleanor Walker was graduated from Bridgton Academy last June and Martha Irish from Fryeburg Academy. At present our high school students are as follows:

Fryeburg Academy—Sarah Stearns, Louis Merrill, Venona and Stephen Andrews, Nellie Littlefield, Brooks Eastman, Elmer McDaniels and Randolph Andrews.

Gould Academy—Franklin Kenison and John Fox.

Norway High School—Esther Kendall, Hallie and Hester McKeen.

Paris High School-Marion Brooks.

**Portland High School**—Wellington McAllister and Lawrence Hatch.

Berlin Junior High School-John Palmer.

High school tuition has been paid for these students with the exception of Wellington McAllister, Lawrence Hatch, John Fox, Randolph Andrews, Elmer McDaniels and John Palmer.

The North Lovell Improvement League has not been so active this year as the regular school work has been so heavy that there has not been time for it. However, one entertainment has been given, which netted them \$1.76. Hot lunches have been provided by the League.

Miss Atkins reports that the Center League gave a box supper and that from the proceeds hot lunches have been served through the winter term. The treasurer reports \$6.44 in the treasury. This is most gratifying as this League has been inactive for some time.

There is no report from the Slab City League. This school is so small that it is almost impossible to carry on any such work. Hot lunches have been provided from League funds and they have \$19.74 to their credit.

The West Lovell gave one entertainment and report a balance of \$21.00, which is to be used to purchase a Victrola.

The Annie Heald League has held regular meetings every Friday afternoon. Hot lunches have been served. Owing to some misunderstanding the full report failed to reach the superintendent in time to be inserted here.

The average registration is the same as that of last year, 79; the average attendance, 69.6, a slight improvement, but not yet what it should be. While there has been no epidemic in our schools, yet there have been some cases where it was thought advisable to keep some of the children out of school. This helped to lower the rate of attendance perceptibly.

Three out of the five in Slab City School have a perfect attendance for the year, Pauline and Iva Kendall and Arlington Files. Marion Adams at North Lovell, Fred Stearns at West Lovell, and Donald Kilgour at the Village are also in the list.

#### RECOMMENDED APPROPRIATIONS

The following is a statement of the common school

Estimate for repairs (to include over-	

draft, \$52.12),

Improvement League,

Total to be raised for all school purposes, \$5,525.00 You will notice the large overdraft in the common school account. This is due to the increase in the conveyance cost—\$105 at the Village for the fall and winter terms; \$131 at West Lovell for the same time; \$86 for the DePolo children and \$77.60 tuition for them. Also our fuel bill has been very large. The carpenters at West Lovell, in their zeal to do a finished job, burned all the waste wood from the repairs and slab wood had to be purchased from West Stoneham and trucked from there for kindling. The Village School was partly supplied from the same source.

For the reasons stated we have been forced to ask for an increase in our common school appropriation over that of last year. Should we be fortunate enough to secure conveyance for less, we may be able to save something, but as the situation is now, the sums estimated will be needed.

Respectfully submitted,
LOTTIE M. PALMER,
Superintendent of Schools.

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Lovell:

Permit me to submit to you my report of the conditions existing in your schools for the year ending February 1, 1927.

All educators know that it is impossible to have good schools with poor teachers and it is our great pleasure to report that the Lovell schools are in better condition than ever before. This has been made possible by the faithful work of our former teachers and of the present ones. For the first time in the history of the town we have four instructors with full Normal training and the other two are experienced teachers with partial Normal course.

Miss Allen, valedictorian of her class in Portland High School and highly recommended by the authorities at Gorham Normal School, has done excellent work in the Village Grammar School altho handicapped by ill health.

Miss Hamilton's work in the Village Primary School has shown marked improvement over that of last year. The children are enthusiastic and are making good progress.

Miss Low at the Center and Miss Fairfield at Slab City, both graduates of Gorham Normal, are doing satisfactory work in their respective schools.

Miss Curtis at North Lovell is rendering valuable service there, especially in her eighth grade.

All of the teachers have had some entertainments for their schools with the exception of Miss Cummings whose school is so small that it seems impractical.

Elementary tuition has been paid to the town of Fryeburg for the two dePolo children who attended the Harbor School.

This year we have tried to enhance our history work by introducing the "Gordy" history into the sixth grade and special note books into the eighth grade. Current history is taken up every week through the school newspaper. We hope to finish the series of histories this year by supplying the seventh and eighth grades.

With these modern histories and the excellent textbooks in geography and civics we now have, for a foundation, we aim to build such a knowledge of our country, our duty to it and its relation to the other nations of the world that we shall graduate from our public schools pupils who will become intelligent units in the electorate of the state. This we plan to do without neglecting the grand old "three R's" of our grandfathers.

Our school buildings are in a good state of repair. A new floor has been laid at the Center and the yard graded. At North Lovell one side of the roof has been repaired with steel roofing and new castings purchased for the large bell as the old ones have been broken for years so that the bell could not be used. All of the one room schoolhouses need painting and I recommend that money be appropriated to paint the one at North Lovell. The toilets at Slab City must be remodeled but this can be done at small expense.

High school tuition has been paid to Fryeburg Academy for Sarah Stearns, Lewis Merrill, Nellie Littlefield, Brooks Eastman, Randolph Andrews, Elmon McDaniels, Mavis Fox, Farnham Brooks, Nora McAllister and Nelson Goldthwait; to the town of Bridgton for Elna Ring; to Gould Academy for Franklin Kenison and John Fox and to the town of Norway for Hester McKeen. Lawrence Hatch, Marion Brooks and John Palmer are also in high school but at no expense to the town.

We have paid \$60 per year for these students and the amount charged by all secondary schools is \$75. The parents have paid the difference but as the law was intended to pay the full tuition we strongly recommend that the town vote to do so.

The North Lovell League has money with which to purchase playground equipment and will clean the schoolhouse in the spring to earn more. This shows a fine spirit.

The Center and Slab City Leagues have furnished hot lunches this winter and have some money in treasuries.

The West Lovell League has purchased a Victrola but owing to the activities of the Girl Scouts the Annie Heald League has not been so active this year as formerly.

This report is being written while the schools are still in session so that no tabulated statement can be given. The average registration for each school for the year is as follows:

North Lovell	15	West Lovell	8
Slab City	17	Village Grammar	21
Center Lovell	12	Village Primary	. 16

The attendance has been good altho we were obliged to close the West Lovell School as there were so many cases of whooping cough. This school will be in session during the winter vacation to make up this time.

### WARRANT

To Olive E. Barker, a constable of the Town of Lovell, in the County of Oxford, and the State of Maine,

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Lovell, qualified to vote in town affairs, to meet at the Town House in said town on Monday, the 5th day of March, A. D. 1928, at ten o'clock in the forenoon, to act on the following articles, to wit:

- Article 1. To choose a moderator to preside at said meeting.
  - Art. 2. To choose a town clerk for the year ensuing.
- Art. 3. To see if the town will accept the report of the municipal officers for the year 1926-1927.
  - Art. 4. To choose all other necessary town officers.
- Art. 5. To see what sum of money the town will vote to grant and raise for the support of schools for the ensuing year.
- Art. 6. To see what sum of money the town will vote to grant and raise for text-books for the ensuing year.
- Art. 7. To see what sum of money the town will vote to grant and raise for school appliances for the ensuing year.
- Art. 8. To see what sum of money the town will vote to grant and raise for repair of school buildings for the ensuing year.
- Art. 9. To see what sum of money the town will vote to grant and raise for the tuition of pupils attending secondary schools for the ensuing year.
  - Art. 10. To choose one member of the school board.
- Art. 11. To see if the town will vote to grant and raise the sum of five (\$5.00) dollars per school, the same to be given to each school that raises a like amount, providing (1) That all the money is to be spent for school improvements, under the direction of the superintendent or school board; (2) That schools raising less than five dollars shall be assisted dollar for dollar.

- Art. 12. To see what action the town will take in regard to those schools which have had an average attendance of less than eight for the past year.
- Art. 13. To see what sum of money the town will vote to grant and raise for the support of the poor for the ensuing year.
- Art. 14. To see what sum of money the town will vote to grant and raise for the town charges for the ensuing year.
- Art. 15. To see what sum of money the town will vote for Memorial observances.
- Art. 16. To see if the town will vote to employ a school physician and raise money for same.
- Art. 17. To see what sum of money the town will vote to grant and raise for repairing highways, town ways and bridges for the ensuing year.
- Art. 18. To see if the town will vote "Yes" or "No" on the question of appropriating and raising money necessary to entitle the town to State Aid as provided in Sec. 20 of chapter 130 of the Public Laws of 1913.
- Art. 19. To see if the town will appropriate and raise the sum of six hundred dollars (\$600.00) for the improvement of the section of State Aid road as outlined by the State Highway Commission, in addition to the amount raised for the care of ways, highways and bridges.
- Art. 20. To see if the town will instruct its selectmen to enter into an agreement with the State Highway Commission for patrolling such highways as they may agree upon.
- Art. 21. To see what sum of money the town will vote to grant and raise for patrolling such highway as the selectmen agree upon with the State Highway Commission.
- Art. 22. To see if the town will vote to elect an inland fish and game warden, whose duty it shall be to care for and protect the fish screen on the outlet of Kezar Lake, with powers as given under Sec. 12 of Chapter 33 of the Revised Statutes, as amended by Chapter 219 of the Public Laws of 1917.

- Art. 23. To see what sum of money the town will vote to grant and raise for the purpose of keeping the fish screen situated on the outlet of Upper Kezar Lake free from slack, leaves and all debris.
- Art. 24. To see if the town will elect one or more fire wardens, fix their compensation and raise money for same.
- Art. 25. To decide by vote how to have your taxes collected for the ensuing year.
- Art. 26. To choose a collector of taxes for the ensuing year.
- Art. 27. To see if the town will authorize the selectmen to borrow money to meet the necessary expenses of the town, until sufficient tax collections can be made to meet current expenses.
- Art. 28. To see if the town will vote to pay the school board for their services, and how much.

### (Special Appropriation)

- Art. 29. To see if the town will vote the full tuition of \$75.00 per year at any secondary school the students of Lovell wish to attend.

Art. 44. To see if the town will vote to grant and raise the sum of \$150 to pay for wiring and fixtures in Annie Heald schoolhouse, as per vote, special meeting, 1927.

Art. 45. To see what sum of money the town will vote to grant and raise for State aid road under Section 21, Chapter 25, R. S., as provided in Section 21 and subject to pro rata reductions provided in Section 23, Chapter 25, R. S. (Five times Act, so called.)

Art. 46. To see what sum of money the town will vote to grant and raise under the Three Town Act on a road designated from State highway through Fryeburg Village over their present State aid designation to the Lovell town line, thence over the Lovell State aid road to the Stoneham town line, thence over the Stoneham State aid road to the Albany town line, the above road being the most traveled road from Fryeburg to Albany.

Art. 47. To see what sum of money the town will vote to grant and raise for treating the State aid road through

Lovell Center with chemicals.

Art. 48. To see what sum of money the town will vote to grant and raise for the so-called 50-50 maintenance work on State aid road in addition to the amount raised for the care of Ways, Highways and Bridges.

Art. 49. To see what sum of money the town will vote to grant and raise for maintenance of third class road in addition to the amount raised for the care of Ways,

Highways and Bridges.

Art. 50. To see what sum of money the town will vote to grant and raise for cutting bushes (so-called bush law) on third class and State aid roads in addition to the amount raised for the care of Ways, Highways and Bridges.

Art. 51. To see what sum of money the town will vote to grant and raise for resurfacing State aid road, 1928, provided that the State will give the town a like amount.

Art. 52. To see if the town will permit R. M. Eastman to change the present road in front of his house on Eastman Hill, providing that Mr. Eastman will make such change at his own expense.

Art. 53. To see if the town will authorize the selectmen to sell some of the timber of the town farm lot if in their judgment the market conditions are such as to

make it advisable.

Art. 54. To see what disposition the town will authorize the selectmen to make of the money to be received from the sale of the pine timber from the "town farm lot."

Art. 55. To see if the town will vote to authorize the selectmen to borrow money to pay the town part in rebuilding Boulder and Alder brook bridges and that the town's part plus the interest be assessed with the amount appropriated and assessed in the assessment of taxes, A. D. 1929.

Art. 56. To act on any other business that may come

legally before said meeting.

The selectmen will be in session at the town house for the purpose of correcting the list of voters on Monday, March 5th, at nine o'clock in the forenoon.

Given under our hands at Lovell, Me., the 14th day of

February, A. D. 1928.

GEO. W. WALKER, ORRINGTON J. ROWE, E. S. HATCH,

Selectmen of Lovell.

#### REPORT OF THE SUPERINTENDENT OF

#### SCHOOLS

To the School Committee and Citizens of Lovell:

Permit me to submit to you my report of the conditions existing in your schools for the year ending February 1, 1928.

Being unable to retain any of our teachers of last year, we were fortunate in securing Miss Edna Butterfield for the Grammar School at the Village and Miss Eva Butterfield for the Primary School. These girls were highly recommended by the Gorham Normal School and have done good work for us.

Miss Johnson, a graduate of Salem Normal School, has done excellent teaching at Slab City, especially with the primary pupils.

Miss Sawin, at the Center, while not a Normal graduate, has had some training and experience. Her work is most satisfactory.

Miss Chapman at North Lovell and Miss Chamberlin at West Lovell have identified themselves with the life of their respective communities and are well liked.

Our textbooks are now among the best. During the past year, the new series of histories has been completed and the most modern geography provided for the fourth grade. Especial stress has been laid upon the teaching of practical subjects.

We were able to accomplish more with our repair appropriation than we expected. At Slab City the work necessary to make the toilets conform to the State law has been done and the building painted outside. The schoolhouse at North Lovell has been painted outside and painted and papered inside. At the Center, the schoolroom has been thoroughly renovated, making it much more attractive. While we could do more on our school buildings, I do not recommend that we appro-

priate money for that purpose this year.

High school tuition has been paid for Mavis Fox, Farnham Brooks, Nora McAllister, Brooks Eastman, Elmer McDaniels, Randolph Andrews, Nelson Goldthwait, Edmund Brown, Elna Ring, Nellie Richards and Cyrus Littlefield to Fryeburg Academy. John Fox and Lewis Rowe are attending Gould Academy and Hester McKeen is at Norway High. Tuition has been paid for these students, also, but no tuition has been paid for Lawrence Hatch at Portland High or for John Palmer at Berlin High.

The schools are in session as this report is being written, so we are unable to give a tabulated report of them.

The following Recommended Appropriations have been made as low as possible in view of the fact that taxes will be heavy the coming year. If they cover our expenses every citizen must help in any way he can. One way is by having all pupils in school for the entire time, as the better our attendance, the more aid we receive from the State.

In no way (not even ploughed roads!) can the town receive so much for its money than by educating the rising generation to law abiding citizenship; able to conduct ordinary business successfully, with such knowledge of geography, history and civics that they may vote intelligently; with an appreciation of good literature which will broaden and enrich their lives and with the understanding of the laws of health that they may enjoy perfect physical well being. This is our ambition for our young people.

Respectfully submitted,

LOTTIE M. PALMER,

Supt. of Schools.

## SCHOOL REPORT

### REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Lovell:

Permit me to submit to you a report of the conditions existing in your schools for the year ending February 14, 1929.

The schools of Lovell have been maintained thirty-four weeks the past year, divided as follows—spring term, thirteen weeks; fall term, fourteen weeks and winter term, seven weeks to Feb. 14, 1929. There will be seven weeks more in the winter term which will be reckoned on next year. The West Lovell School was closed at the end of the twenty-first week and the three pupils placed in the village schools temporarily.

Our teachers, as a whole, have given fair satisfaction. Our grammar school at the village is large this year and Miss Libby is working hard there. Miss Butterfield is doing very good work with her small people in the primary room. Miss Sawin, at the Center, and Miss Johnson, at Slab City, have shown marked improvement over their good work of last year. Miss Bacon, at North Lovell, is slowly bringing her pupils up to grade. Her work in nature study is especially interesting as she illustrates her lessons with her own drawings.

We especially invite your inspection of our textbooks. We have placed one new set of reference books in the Village school and furnishing more supplementary readers. Seat work for the primary scholars has been pro-

vided, adding much to the interest of the small people which is shown in their more rapid progress.

Very little repair work has been done this year with the exception of some minor repairs at the Village and North Lovell. However, we shall need to do more another year.

Our schools should be provided with some playground equipment—swings and seesaws if nothing more. The children have some money toward it and we strongly recommend that sufficient funds be appropriated for this purpose.

High school tuition has been paid to Fryeburg Academy for Randolph A. Andrews, Nora McAllister, Mavis Fox, Farnham Brooks, Herlene Seavey, Merle Cushman, Fred Stearns and Kenneth Merrill. Randolph Andrews was graduated in June. Tuition was also paid to Gould Academy for John Fox, Lewis Rowe and John Palmer. John Fox was graduated in June. Marion Adams and Sophie Butters are at Bridgton Academy and Curtis Brooks is attending Bridgton High School. Our schools are represented at Norway High by Hester McKeen and Harry Andrews while Lawrence Hatch is at Portland High.

The following recommended appropriations are made to cone expenses for the coming year. If it should happen that the number of pupils at West Lovell should warrant opening that school, a bit more may be needed but we will try to keep well within these figures.

The citizens of Lovell are investing heavily in their schools and as good business men and women, they should investigate their holdings. It will do much to help maintain a high standard if the people will visit the schools often. The teachers and superintendents cordially invite your comments and suggestions and will cheerfully endeavor to profit by them.

Respectfully submitted,

LOTTIE M. PALMER,

Superintendent of Schools.

To Geo. C. Coe, a constable of the Town of Lovell in the County of Oxford and the State of Maine.

In the name of the State of Maine, you are hereby required to notify and warn the inhabitants of the Town of Lovell, qualified to vote in town affairs, to meet at the town house in said town on Monday, 3rd day of March, A. D. 1930, at ten o'clock in the forenoon, to act on the following articles, to wit:

- Article 1. To choose a moderator to preside at said meeting.
  - Art. 2. To choose a town clerk for the year ensuing.
- Art. 3. To see if the town will accept the report of the municipal officers for the year 1929.
  - Art. 4. To choose all other necessary town officers.
- Art. 5. To see what sum of money the town will vote to grant and raise for elementary and secondary schools, including teachers' wages and board, fuel, janitors' service, conveyance, tuition, board of pupils, textbooks, reference books and school supplies for desk use for the ensuing year.
- Art. 6. To see what sum of money the town will vote to grant and raise for repair of school buildings for the ensuing year.
- Art. 7. To choose one member of the school board, who shall serve three years.
- Art. 8. To see if the town will vote to grant and raise the sum of five dollars (\$5.00) per school, the same to be given to each school that raises a like amount, providing (1) that all the money is to be spent for school improvements under the direction of the superintendent or school board; (2) that schools raising less than five dollars (\$5.00) shall be assisted dollar for dollar.

- Art. 9. To see if the town will vote to employ a school physician and raise money for same.
- Art. 10. To see what action the town will take in regard to those schools which have had an average attendance of less than eight for the past year.
- Art. 11. To see what sum of money the town will vote to grant and raise for playground equipment for the schools.
- Art. 12. To see if the town will vote to pay the school board for their services and how much.
- Art. 13. To decide by vote how to have your taxes collected for the ensuing year.
- Art. 14. To choose a collector of taxes and decide by vote the rate of collection per dollar.
- Art. 15. To see what action the town will take in the time and method of collecting its taxes as permitted by Sec. 1, Chapter 11, Laws Relating to Taxation, State of Maine.
- Art. 16. To see if the town will vote to purchase the bonds required by law for the town officers for 1929 and what sum of money the town will vote to grant and raise for same.
- Art. 17. To see what sum of money the town will vote to grant and raise for Maine Publicity Department.
- Art. 18. To see if the town will vote to grant and raise \$29.00 to match State Department of Health funds for the support of County Public Health nursing, to continue work with mothers and children, which is now being carried on entirely by the State Department of Health.
- Art. 19. To see what sum of money the town will vote to grant and raise for Mothers' Aid for the ensuing year.
- Art. 20. To see what sum of money the town will vote to grant and raise for town charges for the year ensuing.

- Art. 23. To see what sum of money the town will vote to grant and raise for repairing highways, town ways and bridges.
- Art. 24. To see what sum of money the town will vote to grant and raise for the (so-called) 50-50 maintenance work on state aid road in addition to the amount raised for ways, highways and bridges.
- Art. 25. To see what sum of money the town will vote to grant and raise for maintenance of third class road in addition to amount raised for ways, highways and bridges.
- Art. 26. To see what sum of money the town will vote to grant and raise for cutting down bushes on state aid road and third class road in addition to the amount raised for ways, highways and bridges.
- Art. 27. To see if the town will vote "Yes" or "No" on the question of appropriating and raising money necessary to entitle the town to state aid, as provided in Sec. 20 of Chapter 130 of the Public Laws of 1913.
- Art. 28. To see what sum of money the town will vote to grant and raise under the Three Town Actyon a road designated from State Highway Commission through Fryeburg Village over their present state aid designation to the Lovell town line, thence over the Lovell state aid road to the Stoneham town line, thence over the Stoneham state aid road to the Albany town line, the above road being the most traveled road from Fryeburg to Albany.
- Art. 29. To see if the town will instruct the selectmen to enter into an agreement with the State Highway Commission for patrolling such highways as they may agree upon.

- Art. 30. To see what sum of money the town will vote to grant and raise for patrolling such highways as the selectmen agree upon with the State Highway Commission.
- Art. 31. To choose a winter road commissioner, who shall have charge of snow plow—plowing the roads, housing snow plow and making out pay rolls for state aid, etc.
- Art. 32. To see what sum of money the town will vote to grant and raise in addition to the amount raised for the care of ways, highways and bridges for plowing the highways from Feb. 6, 1929, to Feb. 6, 1930.
- Art. 33. To see what sum of money the town will vote to grant and raise for repairs, insurance and housing snow plow.
- Art. 34. To see what sum of money the town will vote to grant and raise to purchase snow fence for A. D. 1930 and vote the number of feet to purchase.
- Art. 35. To see what sum of money the town will vote to grant and raise for street lights and light bills for the Annie Heald schoolhouse.
- Art. 36. To see if the town will vote to elect an inland fish and game warden, whose duty it shall be to care for and protect the fish screen on the outlet of Kezar Lake, with powers as given under Sec. 12, Chapter 33 of the R. S. as amended by Chapter 219 of the Public Laws of 1917.
- Art. 37. To see if the town will vote to elect one or more fire wards, fix their compensation and raise money for same.
- Art. 38. To see what sum of money the town will vote to grant and raise for the care of fish screen, outlet of Kezar Lake.
- Art. 39. To see if the town will vote to authorize the selectmen to borrow money until sufficient tax collections can be made to meet the necessary expenses of the town.
- Art. 40. To see if the town will authorize the selectmen to sell some of the timber on "Town Farm Lot" if in their judgment the market conditions are such as to make it advisable.

- Art. 41. To see what disposition the town will authorize the selectmen to make of the money to be raised from sale of the pine timber from "Town Farm Lot."
- Art. 42. To see if the town will accept the list of jurors as revised by the proper officers.
- Art. 43. To see if the town will vote to give a three per cent (3%) discount on all taxes paid on or before July 1, 1930.
- Art. 44. To see if the town will vote to instruct the selectmen to purchase land of Charles Garcelon to enlarge the cemetery at North Lovell.

# STATE AID ROAD SEC. 2 (3 Town Act So-Called 1930)

The selectmen petitioned to the county commissioners to change the location of the county road at North Lovell beginning at the cemetery, North Lovell over the land of Solomon Wilson, O. V. McAllister, John Mason, and heirs of Isabel Brooks, also discontinuing the old county road to Harry Hill's, turn of road. The county commissioners came on, viewed over the premises and granted the prayer. Land damages paid by County of Oxford.

At a special town meeting held Sept. 12, 1929, the town voted to build the new location as located by county commissioners at North Lovell this year and to borrow money to pay for same under the 3 Town Act (so-called, 1930). This road is not finished, will be in the spring of 1930 and the balance of joint fund will be expended on the road at Lovell Village as approved by the State Highway Commission.

We hired a power shovel and we think it was a good proposition for the town and the state financially.

We, the selectmen, have borrowed money from the Fidelity Trust Co. as follows for expenditures on the above road:

Note, \$5,000.00; due Apr. 29, 1930. Note, \$2,400.00; given Feb. 7, 1930 for 6 months. Total, \$7,400.00.

Total amount of town orders drawn, labor, \$5,277.50 Amount of town orders drawn, material, 1,953,12

Total expended,

\$7,230.62

Cost of state shovel, estimated, \$800.00—not paid. There is by special resolve due from state on this road payable June 1, 1930, \$1,000.00.

#### SCHOOL REPORT

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee and Citizens of Lovell:

Permit me to submit to you my report of the conditions existing in your schools for the year 1929.

The schools of Lovell have been maintained thirty-five weeks from February 14, 1929, to February 17, 1930, and divided as follows—three weeks on the winter term, ten weeks, spring term; fourteen weeks, fall term, and eight weeks on the winter term. The West Lovell School has not been re-opened as it has been found very satisfactory to bring those pupils to Lovell. At the beginning of the school year ninety-five (95) pupils were registered in town.

It gives me much pleasure to assure you that we have a corps of efficient teachers. Miss Rowe, a trained teacher of many years' experience, is doing excellent work in the Grammar Room at the Village. Miss Butterfield, who is teaching her third year for us, is getting splendid results from her small people in the Primary Room there. Miss Mixer, a graduate of Farmington Normal and with some credit at Bates College, is doing very satisfactory work at the Center, being active in community affairs. Miss Barnes, from Castine Normal, is our only inexperienced teacher, yet her work compares very favorably with that of her fellow teachers. Mrs. Dione, although greatly hampered by the many grades at North Lovell, seems to be getting a good response to her instruction.

Realizing that our English books were not thorough enough in the formal grammar, we have furnished new ones for grades three, four, five and six. The teachers are most enthusiastic in their praise and we hope to send out better prepared students in this subject. Our new series of histories is complete and new arithmetics have been furnished at the Center and Village. The new books on mathematics have proved so satisfactory that all the schools should have them. Our geographies are a disgrace for they are both "tattered and torn" yet the teachers have cheerfully mended and substituted leaves to help out on our textbook bill. We have had good results from the books we have but we can get far better from the ones we need.

The Annie Heald Schoolhouse has been painted, screens made for the Center, and shutters placed over the windows at West Lovell. Next year we should make quite extensive repairs at Slab City and to the roof at the Center Schoolhouse.

Through your generosity, our schools are provided with playground equipment and the children have been made happy and contented. At North Lovell, especially, the children have had a safe place to play both when at school and when it was closed.

We shall need a small appropriation for flags and repairs of poles and ropes. These are in bad condition and the state law requires that each schoolhouse shall have a flag flying over it.

Secondary school tuition has been paid to Gould Academy for Catherine Davey, Louis Rowe, Thursa Brown and John Palmer; to the town of Norway for Hester McKeen (who was graduated last June) and Harry Andrews; to Bridgton Academy for Sophie Butters and Marion Adams; to the town of Bridgton for Curtis Brooks; to Oak Grove Seminary for Dorothy Sherburn and to Fryeburg Academy for Edmund Brown, Mavis Fox, Farnham Brooks, Herlene Seavey, Fred Stearns, Jr., Kenneth Merrill, Olive Eastman, Donald Kilgour and Nora McAllister (who was graduated last June).

The following recommendations call for a larger appropriation than was made last year but it will be necessary as our high school tuition is getting to be more each year and if we get the textbooks which are needed in the upper grades and the supplies we should have for the lower ones we shall need more money to purchase them.
